

ÉCOLE RUBAN VERT MUSIC TEACHER JOB DESCRIPTION

ROLE

For ERV, our teachers are visionary change agents at the centre of learning.

Our teachers recognize the need to expand on education solutions and dialogues, rather than converge, with an understanding and conviction to contribute to a legitimate case for change. Our teachers implement learning solutions to drive our vision.

The role of teacher supports the vision and mission as a collaborative partner to the Head of School. ERV teachers are responsible for contributing to the delivery of the ERV plan for innovation and sustainability in education for 2017 – 2018

- To contribute to the education climate of the international school to system-wide achievement and quality; and to include the wider community in success
- To support the case for change in classroom education
- To bring accountability to all learners
- To contribute to local / disruptive curriculum design with a focus on 'green'
- To support assessment aligned to radical thinking for deeper learning, adaptive learning and authenticity
- To focus on contributing to the institutional capacity through classroom innovation
- To welcome partnerships, new approaches to learning and new pedagogy
- To achieve the kinds of relevance in outcomes that all learners will need in the coming decades

EXPECTATIONS

The teachers action is to facilitate the academic works at ERV.

Our teachers are expected to achieve the following:

- Advocate the school's philosophy, vision and mission
- Contribute to the execution of strategic and action plans
- Follow and assist in formulating policies and procedures for the school
- Ensure that the school has well-organised classrooms
- Support the observations and appraisals of teaching practices to maintain and improve teacher performance within a culture for continued development
- Support effective communication within the school and all stakeholders
- Maintain student discipline and support student and community welfare

RESPONSIBILITIES

The responsibilities of the teachers are – contributions to the curriculum –
This includes:

- Visibility to stakeholders of and colleagues
- Contribution to curriculum innovation
- Implementation of the curriculum in an optimized state

These responsibilities will be carried out in consultation with the Head of School, The Head of Secondary, Director of Sustainability, Education Coordinators and Teacher-colleagues.

- Day-to-day running of your assigned classes
- Organizing the daily activities of the class
- Organizing special events – open houses, parent-teacher conferences, social events, etc. (in co-operation with the Administrative staff)
- Ensuring the safety of the staff, students and visitors
- Delivering the communication messages of the school
- Effective use of resources to match learning with classes and spaces
- Ensuring that your classrooms are fully equipped
- Ensuring that your classrooms are well presented
- Demonstrate collaborative, innovative stewardship of your classes
- Vigilance of the issues that international schools face
- Act a visionary, motivating, listener and supportive role model to stakeholders
- Always put students and learning at the centre of all decisions
