

ÉCOLE RUBAN VERT

International School of Gabon

Deputy Head of School/
Head of Secondary School

Candidate Information Pack
Effective date: 15 August 2022

ABOUT THE SCHOOL

ERV has a strong team of teachers, leaders and administrative professionals to support the Vision, Mission, and Values of the school, with a focus on excellence, innovation and sustainability. Every vacancy represents an opportunity for us, our students and, potentially, for you, to work in one of the most beautiful campuses on the African continent, to contribute to the lives of students from over 40 nationalities, to work alongside colleagues from 20 different countries and to be part of a community emphasising positivity, teamwork, intercultural understanding and sustainability.

We pride ourselves on our unique influence on our host country, Gabon. ERV is the only international school that is accredited with the Council of International School (CIS), and the leading international school in the city of Libreville. We deliver the IBDP, and the Bilingual Diploma, and the IB PYP for children in Early Years and Primary. We also have a highly successful IGCSE programme. ERV has an extensive community service programme, developed through its Round Square school status and a range of activities in and school and internationally, for example through exchange visits and MUN conferences. We are an exciting, dynamic and growing community, which believes in the value of your input as a staff member.

We are looking for educators with a strong sense of initiative, independence and commitment to delivering our curriculums at the highest level, through a caring and personalised approach to holistic learning. We welcome individuals who are open to the many opportunities available to our students and staff as we continue growing as the leading school in the region, and who understand and value the positive contributions they can make to our entire community.

FACILITIES

ERV's beautiful green Libreville campus is one of the best on the African continent. Our specialist classrooms, gymnasium, tennis courts, newly opened sports stadium, auditorium, recording studio and buildings are surrounded by every species of tree and plant to be found in Gabon and provide an inspirational setting for our students and staff. The trails around the campus are ideal for outdoor learning, school visits and are open to school members for walking and running also at weekends and during holidays.

ABOUT GABON

Gabon is located in Central Africa, with a long Atlantic Ocean coastline, and almost 90% of its surface area still untouched forest, which gives it its name of The Last Eden. The capital city, Libreville, is a relatively small and very manageable urban area, with a range of shops, restaurants, and leisure activities which are easy to access. Libreville is a small and safe city, where international staff feel comfortable living in the many residential areas, walking outdoors, and taking public transport. With the feeling of a vibrant town, rather than the city, everything is less than ten minutes from the beach, including our school and accommodation.

There is an impressive range of restaurants to suit all palates and price ranges, including African, European, Lebanese, Asian and Indian cuisine. Supermarkets are well replenished with a wide range of products imported from France, whilst local markets and stands provide local products and tropical fruit and vegetables. Fresh fish and seafood are readily available in supermarkets and at the fish market. Whilst shopping remains relatively expensive in Libreville, it is possible to eat and live very well.

From Libreville, you can go whale watching or deep sea fishing, and find 777 species of bird in the rainforest, 11% of which has been dedicated for national parks making these parks some of the largest nature parks in the world. Turtles, at the right time of year, lay and hatch their eggs here and Gabon is home to 80% of Africa's Gorilla population. It is easy to take a day trip to Pointe St. Denis or to the North of the city at the Cape Esterias, where idyllic beaches are located or you can take a boat and go across the water to La Baie Des Tortues where the sand is golden and runs for miles. ERV regularly organises team building days and social activities for staff and their families to benefit from this idyllic context.

Individuals who enjoy the outdoors, visits to the beaches, forest, and discovery of local markets and artisans, particularly appreciate the Libreville context, and the tropical warm weather all year round. Those with families and children benefit from an easy school set up, with a range of activities available for children of all ages via the school, including a Campus Club for Staff Children, and the benefits of having access to swimming pools and life by the coast.

JOB DESCRIPTION

Responsible to: Head of School
Responsible for: Leadership Team (Secondary), Secondary School Form Tutors, Teachers and Support Staff

Overview of Role

The Deputy Head of School/Head of Secondary of ERV is a visionary change agent at the centre of learning and entrepreneurial leadership. The Deputy Head of School/Head of Secondary is an informed, reflective practitioner who leads the Secondary Leadership and Teaching teams in creating positive learning environments, which motivate and challenge all learners to become self-regulated, life-long learners, global citizens and leaders. They should draw on world-class learning solutions to drive ERV's Mission, Vision and Values, as a CIS-accredited and IB school.

The Deputy Head of School/Head of Secondary will be responsible to the Head of School and accountable to the School Board for all school policies and procedures relating to Secondary School. As Deputy Head of School they may be required to deputise for the Head of School as appropriate and will be assigned whole school responsibilities, in collaboration with the Deputy Head of School/ Head of Primary.

The successful candidate will be a Senior Leadership Team (SLT) member, together with the Head of School, School Bursar, Senior IT & Systems Manager and Deputy Head of School/ Head of Primary. They will lead the Leadership Team Secondary (LT Sec), which includes the Middle School, IGCSE and DP Coordinators, Faculty Leads and College Counsellor. The Deputy Head/Head of Secondary has overall responsibility for the Secondary School LT, form tutors, teachers and support staff to ensure the successful operational running and development of Secondary School Years 7-13. The postholder will ensure effective communication within the school and with all stakeholders, promoting ERV and acting as an ambassador for the school at all times.

The Secondary School has made good progress in improving standards and establishing our programmes in recent years. We are looking for a dynamic individual with experience of leadership in a multicultural environment and a commitment to excellence through a caring, personalised and effective approach to learning and school life for all our students. With the significant investments we have made in staffing, professional development, technology, and as a growing CIS-accredited school with recent and successful IBDP Re-Evaluation, we are looking for a candidate who will take the Secondary School to the next level.

KEY RESPONSIBILITY AREAS

"The internationally diverse team of ERV are as dedicated to academic excellence as they are welcoming to new students and staff. How much our little girl loves attending Early Years is an immeasurable bonus!"
Amar, English Teacher (joined ERV 2021)

Strategic Planning

- Work with the Head of School, as part of the Senior Leadership Team (SLT), to implement ERV's Strategic Plan, developing the school with recognition to its location, in Gabon, within the national and international context
- Contribute as a member of the SLT to the development of policies and procedures for the effective operation of the school
- Lead the implementation of ERV's Strategic Plan objectives in relation to Secondary School
- Support the SLT in implementing the objectives of the strategic plan schoolwide

Staff Leadership and Development

- Lead, develop and be accountable for the Secondary School Leadership Team, in providing a safe, positive and effective implementation of programmes and day to day running of Secondary School, in relation to the agreed policies and to best achieve the goals and objectives of the school
- Assume responsibility for the recruitment, induction, development, retention and motivation of Secondary School teachers and staff, in collaboration with the Head of School and HR
- Ensure that high standards of expectation, performance and accountability are maintained and developed through agreed appraisal objectives, regular observation evaluation and development of Secondary School staff
- Lead and develop effective and collaborative Professional Development for the teaching teams, including ensuring staff are up to date with required qualifications and training
- Ensure the development of information handbooks and curriculum documentation for parents, students and staff about procedures and programmes of Secondary School.
- Be responsive to the concerns of parents, staff and students, and include the people most knowledgeable about particular concerns in seeking solutions to problems.
- Plan and implement the timetabling and effective assignment of Secondary School staff to their duties, including cover arrangements as required
- Welcome partnerships, new approaches to learning and new pedagogy to benchmark equity for Africa
- Achieve the kinds of relevance in outcomes, preparing learners to be happy and successful 21st century global individuals
- Enable positive, professional relationships to develop between members of staff and students to support learning

KEY RESPONSIBILITY AREAS

"As an international staff and parent, ERV offers the most beautiful campus I've ever seen. I am happy that my children get to have such a big green space to play in each day"
Natalie, English Teacher (at ERV since 2019)

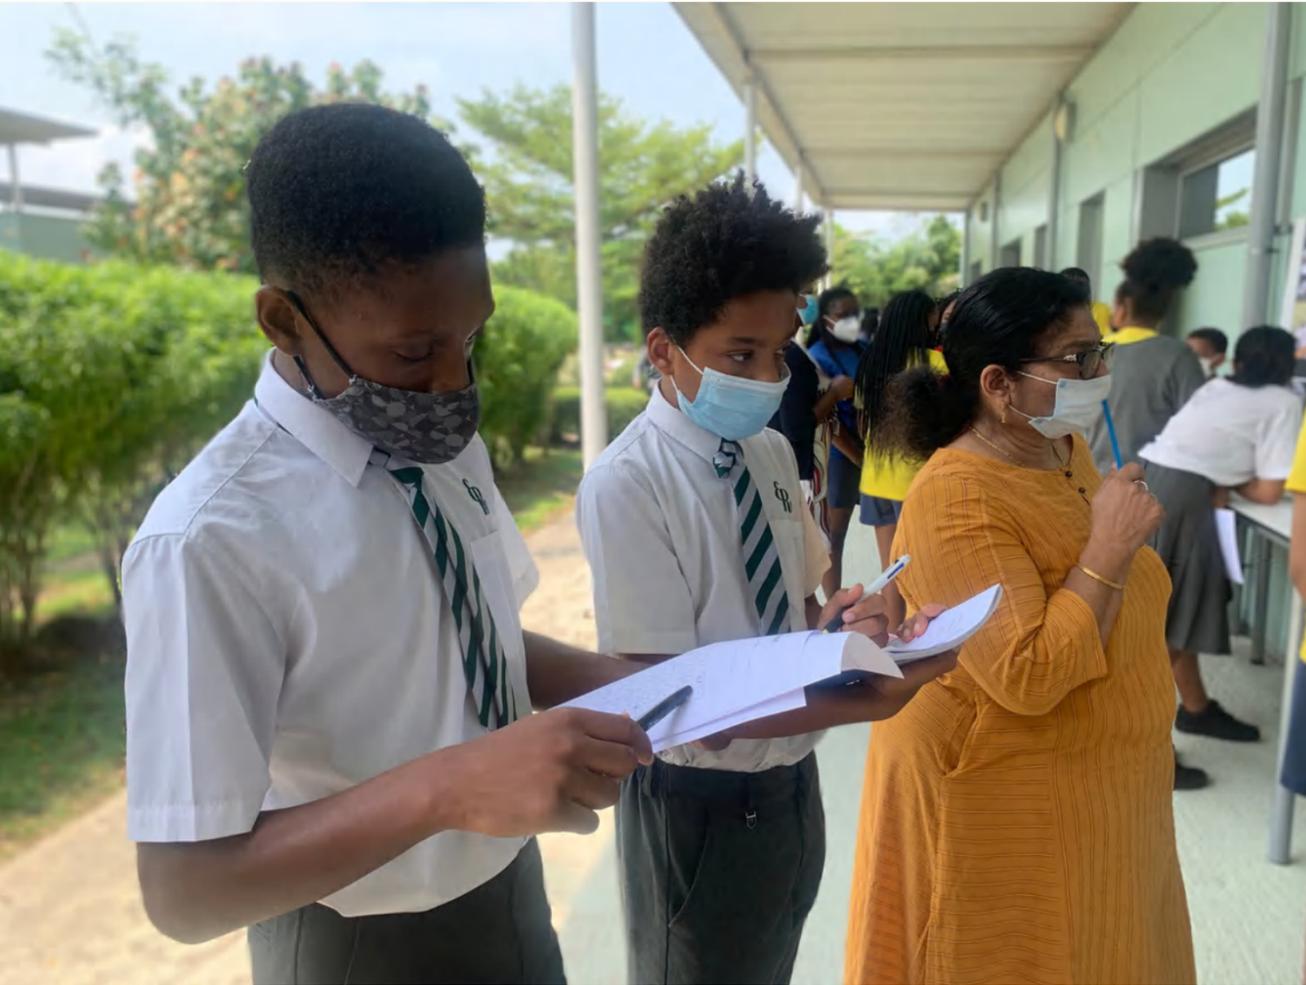

Overseeing Learning, Teaching & Assessment

- Oversee the effective planning, materials development, assessment and lesson delivery in Secondary school to ensure effective and inspirational learning
- Monitor and inspire a culture of improvement in learning & teaching through an effective approach to observations of learning, classroom visits and audits of students' work
- Lead learning to have a key focus on conceptual understanding, 21st century skills development and sustainability
- Encourage best practice in learning resources and techniques
- Monitor, evaluate and review the assessment strategies and ensures that all teachers know, understand and use the school's assessment and reporting guidelines
- Continue embedding and developing formative and summative assessment procedures throughout Secondary School
- Takes responsibility for ensuring ERV reviews all internal and external examination outcomes and benchmarks student performance against other schools both locally and internationally
- Review the results of student learning including review of grades, standardised and other test results and other relevant data, benchmarking them against external standards of attainment
- Be responsible for monitoring, evaluating and intervening where necessary for, the attainment and success of all scholarship students
- Oversee the delivery of external exams in Secondary School, in collaboration with the Exams Officer and Secondary Leadership Team
- Promote the use and application of information technology in and for learning

Curriculum Development

- Lead the IB Diploma, Bilingual Diploma, Certificates, IGCSE, IMYC and Middle School Programmes
- Oversee the planning, implementation and evaluation of the Secondary School's curriculum including review, and documentation of performance standards in line with IB and relevant accreditation/ exam board expectations and guidelines
- Develop and implement appropriate curriculum per phase, ensuring vertical and horizontal alignment, with effective development of conceptual and skills-based learning
- Innovate curriculum in line with local and international developments, with a key focus on conceptual understanding, 21st century skills development and sustainability
- Carry out review of our Secondary School Programmes as required, providing leadership in the regular and on-going cycle of the school's accreditation with CIS, IBDP, IGCSE and other relevant organisations
- Promote the use and application of information technology within and across the curriculum
- Develop and implement appropriate curriculum per phase, ensuring vertical and horizontal alignment, with effective development of conceptual and skills-based learning

KEY RESPONSIBILITY AREAS

Student Leadership and Support

- Ensure positive, caring and effective pastoral and academic support of students throughout Secondary School, with an understanding of the social, emotional, intellectual and physical needs of students aged 11-19
- Support the Secondary Leadership Team and Secondary Teaching teams to ensure that academic and behavioural expectations are promoted and met
- Have overall responsibility for the successful placement, induction, transition to and departure of students in Secondary School
- Oversee the allocation and choice of programme/subjects for students in Secondary School to be consistent with their aptitude, ability and aspirations for further study, including in relations to English/French support needs and in line with ERV's Language Policy
- Ensure that teachers promote high records of attendance and punctuality, with effective management of online learning as appropriate
- Ensure appropriate levels of support to the Secondary Schools teams for the successful implementation of homework, formative and summative assessment and exam preparation
- Oversee the management of communication with parents in Secondary School to ensure the positive approach to such meetings, following up of agreed outcomes, and written records
- Develop partnerships with students' parents through parent sessions, Parent Teacher Conference, and the distribution of effective Term Reports
- Encourage and oversee student-led activities and assemblies to enrich student learning and leadership, and promote the development of a sense of responsibility and community spirit

Management of Resources, Enrichment & Events, and Partnerships

- Develop control and review the budgets for educational resources, staff development and student activities within Secondary School
- Identify staffing and resource proposals that are financially and qualitatively effective in the teaching and learning programmes
- Maintain and develop proactive communications with all parts of the school community
- Plan and oversee safe and successful students visits, events and activities to enrich student learning and leadership, and promote the development of a sense of responsibility and community spirit
- Contribute to positive promotion of the school through ERV social media and marketing
- Oversee and maintain well-presented and inspirational displays and documentation for the Secondary School community
- Represent and develop the school's positive reputation within the regional and international community, through participation in Round Square schools and other key ERV partners and organisations

“

"I really love Libreville's tropical sunshine, rain and serene beaches"
Veena, PYP Teacher (at ERV since 2019)

”
